ITD TECH PRESENTS:

Managing the Project Development Process

Phoenix Dates Include.

August 14-15, 2001
August 21-22, 2001
August 28-29, 2001
September 6-7, 2001
September 11-12, 2001
September 18-19, 2001

Class times and locations will be provided to participants on their class confirmation sheets.

WHO SHOULD ATTEND THIS TRAINING?

Project Manager's, DE's, Development TES's, Technical Leaders, Technical Managers, and others involved in project delivery, including consultants

DESCRIPTION:

This course is designed specifically with the above audience in mind. The course will reinforce the need to take a disciplined, systematic approach to project management. It will also teach practical tools through the use of a true and challenging ADOT case study. The complexity and competencies of the project manager and team members will be addressed.
